Introduction

1. Purpose of Planning Proposal

An amendment to *Penrith Local Environmental Plan 2010* (LEP 2010) is proposed to resolve a series of minor errors and anomalies that have been identified in the document. The Department of Planning and Environment's (DP&E) Gateway Process is the current process for making or amending Local Environmental Plans (LEPs). The process has a number of steps which are outlined in Table 1. The preparation of a Planning Proposal is the first step in DP&E's Gateway Process for amending LEP 2010.

Table 1: Gateway Process

No.	Step	Explanation
1	Planning Proposal	Council prepares a Planning Proposal explaining the intended effect of a proposed LEP and sets out the justification for making the LEP.
2	Gateway Determination	The Department of Planning and Environment, as a delegate of the Minister for Planning, determines whether a Planning Proposal should proceed.
3	Community Consultation	The Planning Proposal is placed on public exhibition for the period identified in the Gateway Determination.
4	Assessment	Council considers the submissions received in response to the public exhibition, and varies the planning proposal if required.
5	Drafting	Parliamentary Counsel prepares a draft local environmental plan.
6	Decision	The relevant planning authority approves the local environmental plan, making it law.

2. Background

Penrith City Council (Council) previously undertook the major task of consolidating several LEPs into one comprehensive LEP, as part of a roll-out by the DP&E for all Local Government Areas (LGA) to have a consistent format for their planning instruments. The DP&E and Council agreed to deliver LEP 2010 in two stages due to the complexity and magnitude of the task. Stage 1 was gazetted on 22 September 2010 whilst Stage 2 (Amendment 4) was gazetted on 28 January 2015.

A review of the LEP 2010 written instrument and map tiles has been undertaken. This review has identified various errors and anomalies which are considered to be minor in nature. These matters are proposed to be consolidated as a single set of proposed changes to LEP 2010, known as a "Housekeeping Amendment". The errors and anomalies proposed to be resolved by this Planning Proposal can be categorised as follows:

- Minor alignment of zoning and other development standards to lot boundaries.
- Correction of labelling errors.
- Addition of missing mapped planning controls.
- Correction to maps to reflect mapping standards.
- Update to provisions to contemporise the plan.
- Update provisions to provide consistency in the application of development controls.
- Correlation with provisions in the Penrith Development Control Plan 2014 (DCP 2014)

There are 38 items in total proposed to be changed.

Part 1 – Objectives or Intended Outcomes

The objective of this Planning Proposal is to correct various errors and anomalies identified in LEP 2010.

This Planning Proposal recommends changes to the LEP 2010 written instrument and the LEP 2010 map tiles.

Rectifying these errors and anomalies will provide a more accurate planning instrument and reduce the potential for delays, should development be proposed where the errors and anomalies exist.

The consolidation of these matters as a single set of proposed changes to LEP 2010, known as a “Housekeeping Amendment”, provides for a more efficient use of time and resources to amend LEP 2010 compared to proceeding with individual planning proposals for each individual change.

Part 2 – Explanation of Provisions

The objectives and intended outcomes of the planning proposal will be achieved by amending LEP 2010. The proposed changes are presented in this Part of the Planning Proposal.

The changes may be grouped under the following categories:

- Instrument amendments only
- Mapping amendments only
- Instrument and mapping amendments

The proposed LEP 2010 map tiles are provided at Appendix 1.

The Legends for the current Land Zoning Map, Lot Size Map, and Height of Buildings Map are provided below to assist in the review of the proposed map changes.

2. UPDATE TO HERITAGE LISTING OF VICTORIA BRIDGE, PENRITH AS A STATE HERITAGE ITEM

Victoria Bridge (Item 146) is currently a local heritage item under LEP 2010. The heritage listing was changed from a local to a State heritage item on 27 May 2016. In this regard, LEP 2010 is proposed to be amended to reflect the amended heritage listing of this item.

Schedule 5 Environmental heritage, Part 1 Heritage items is to be amended as follows:

3. ACTIVE STREET FRONTAGE FOR THE PENRITH HEALTH AND EDUCATION PRECINCT

The mapped planning controls delineating active street frontages at the Penrith Health and Education Precinct, which are currently prescribed in Figure E12.7 – Active street frontages of Part E12 (Penrith Health and Education Precinct) of DCP 2014, are proposed to be added to the LEP 2010 Active Street Frontages Map. The purpose of these changes is to reflect a clear intention to deliver an activated and pedestrianised environment in this location. The intention of Clause 7.8 Active street frontages of LEP 2010 is to promote uses that attract pedestrian traffic along ground floor street frontages, specifically in B3 and B4 zones. This location, with its B4 Mixed Use zoning, proximity to public transport services and conducive built form provide supporting arguments that active street frontages should be mapped in this area.

The Active Street Frontages Map is to be amended as follows:

4. CORRECTION TO MAPPED PLANNING CONTROLS AT CLAREMONT MEADOWS STAGE 2 ADJACENT TO M4 MOTORWAY

The prescribed minimum lot size control under LEP 2010 for properties at the “Eastern Precinct” of Claremont Meadows Stage 2 that are located adjacent to the M4 Motorway is proposed to be increased from the current 550 square metres to 1,000 square metres. The Eastern Precinct is currently prescribed with a 1,000 square metre minimum lot size under Chapter 2.2 (Residential Development) and Figure E2.2 – Eastern Precinct of Part E2 (Claremont Meadows Stage 2) of DCP 2014.

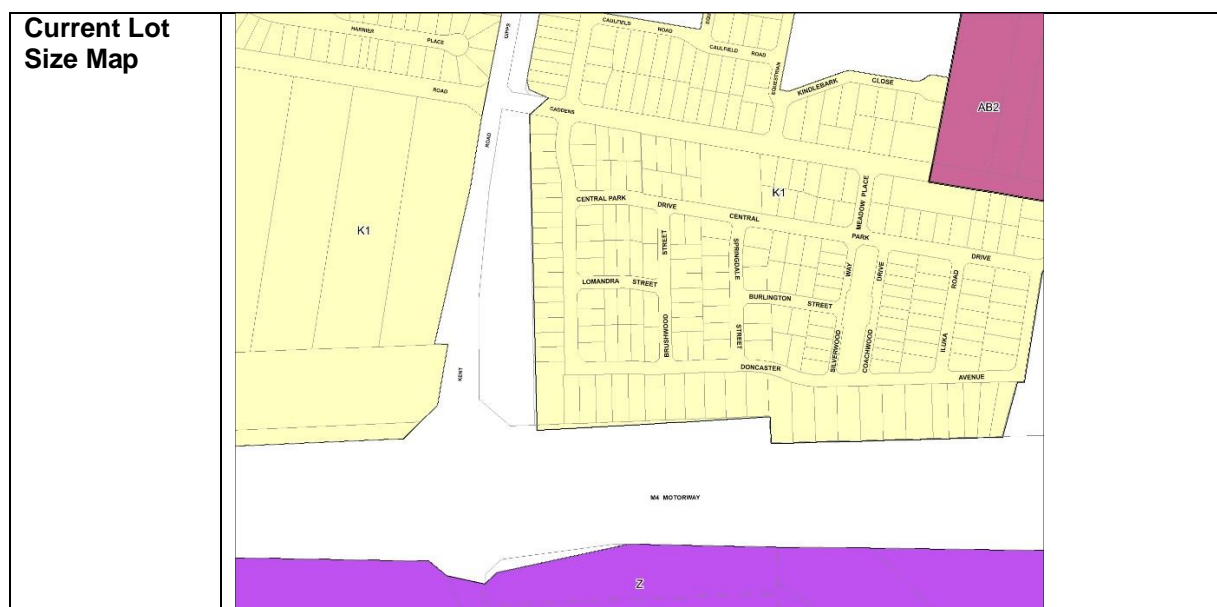

The subject land contains existing lots ranging in size from the smallest (950sqm) to the largest (2290sqm). These lot sizes were defined through the development assessment and approval process for the subdivision of this area and respond to the DCP’s 1000sqm minimum lot size requirement adjacent to the M4 Motorway despite the LEP requirement for 550sqm. It is noted that the lots to the north within the development are of sizes generally in the vicinity of 550sqm to 700sqm and respond to both the LEP and DCP controls.

The intention of the proposed LEP 2010 changes is to deliver large lot housing adjacent to the M4 Motorway, to ensure there is a visual buffer between the residential development and the M4 Motorway, and ensure that a vegetated link is provided. These intentions are also prescribed in the DCP controls for this area.

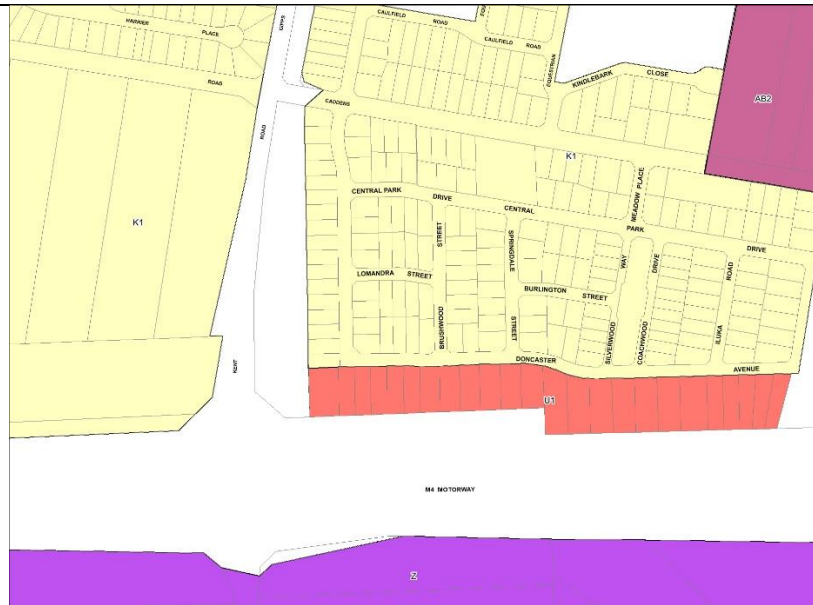

It is also proposed that the zoning map and height of buildings map in this location are amended so as to align the mapped planning controls with the property boundaries. The recent registration of a subdivision in this location has resulted in the updated cadastre presenting property boundaries which do not align with the current mapped zoning, height and lot size controls. These minor anomalies are proposed to be corrected in this planning proposal.

The current and proposed lot size map extracts presented below are based on the most recent cadastre available.

The Lot Size Map is to be amended as follows:

The zoning Map is to be amended as follows:

The Height of Buildings Map is to be amended as follows:

5. REMOVAL OF BUILDING HEIGHT CONTROLS FROM RE1-ZONED LAND IN THE VICINITY OF NEPEAN HOSPITAL

The maximum building height controls prescribed by LEP 2010 on four sites in the vicinity of Nepean Hospital at Kingswood are to be removed. The four sites are zoned RE1 Public Recreation under LEP 2010. LEP 2010 does not intend to impose maximum height controls on RE1-zoned land. Therefore, the height controls for these sites are proposed to be removed. The current and proposed height of buildings map extracts presented below are based on the most recent cadastre available.

It is also proposed that the zoning map and lot size map in this location are amended so as to align the mapped planning controls with the property boundaries. The recent introduction of an updated cadastre presents property boundaries which do not align with the current mapped zoning and lot size controls. In respect to this planning proposal this relates to the area in the vicinity of 4 Baden Powell Avenue, Kingswood (Lot 69 DP 752022), which is one of the sites proposed to have its height of building control removed. These minor anomalies are proposed to be corrected in this planning proposal.

The Height of Buildings Map is to be amended as follows:

The Lot Size Map is to be amended as follows:

6. ALIGN MAPPED PLANNING CONTROLS TO SUBDIVISION BOUNDARIES AT NORTH PENRITH

The Land Zoning, Height of Buildings and Lot Size Maps at North Penrith current contain various mapping errors, mainly as a result of the misalignment of these mapped controls with subdivision boundaries. There errors are proposed to be corrected through changes to the maps.

The Land Zoning Map is to be amended as follows:

7. ALIGN PLANNING CONTROLS TO SUBDIVISION BOUNDARIES AT PANDOREA ST, CLAREMONT MEADOWS

The boundaries of E2 Environmental Conservation, RE1 Public Recreation and R2 Low Density Residential zonings do not align correctly to the subdivision boundary at the Pandorea Street reserve, Claremont Meadows.

This requires realignment of the zonings applying to Pandorea Street, the adjacent reserve and the Claremont Creek corridor. It also requires realignment of the lot size and building height maps to align with the R2 zoning.

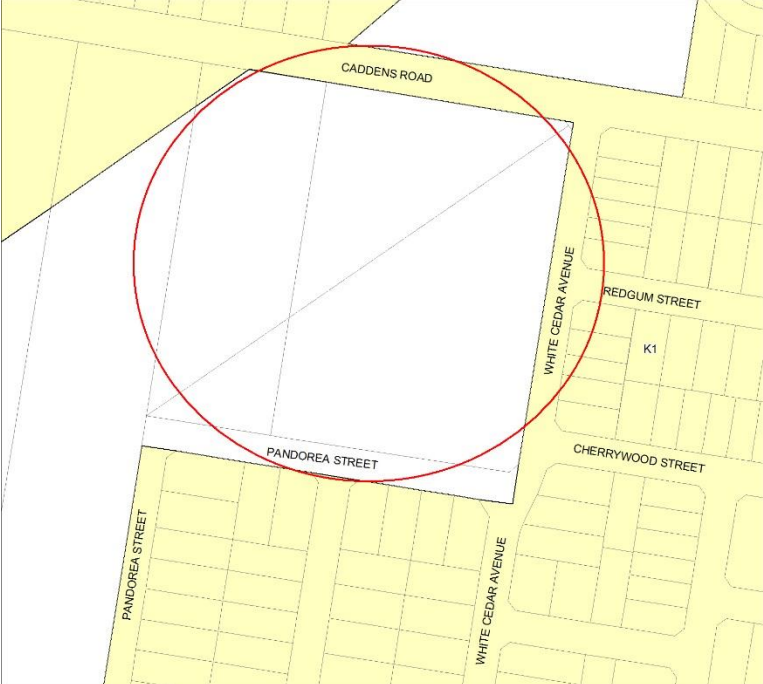

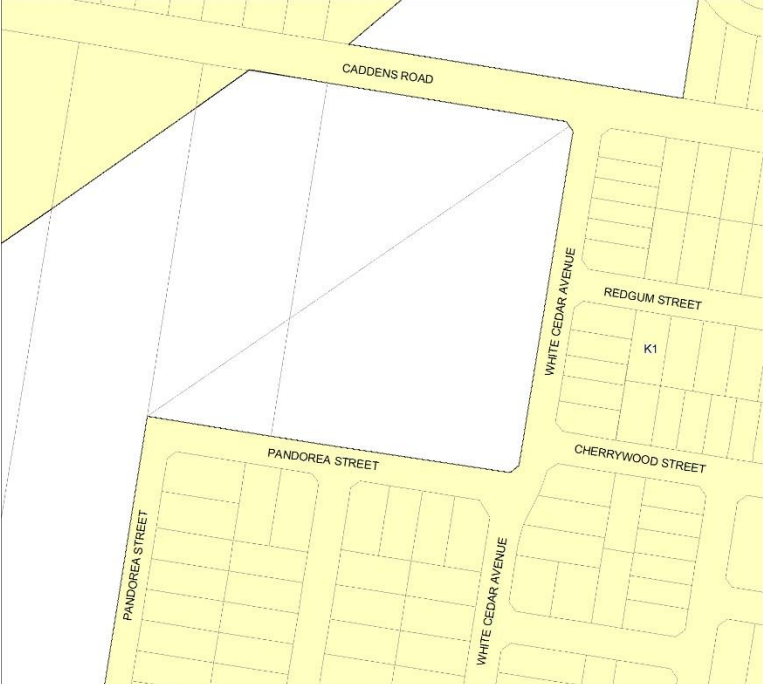

The Land Zoning Map is to be amended as follows:

<p>Current Land Zoning Map (including added red circles to assist in identifying the areas to be changed)</p>	 <p>The map shows a residential area with several streets: Caddens Road at the top, Pandorea Street running diagonally from the top-left to the bottom-right, White Cedar Avenue running vertically on the right, Redgum Street, and Cherrywood Street at the bottom. Zoning areas are color-coded: E2 (orange) is on the left side of Pandorea Street; RE1 (green) is a triangular area bounded by Caddens Road, Pandorea Street, and White Cedar Avenue; R2 (pink) covers the rest of the area. A red circle is drawn around the intersection of Pandorea Street and White Cedar Avenue, highlighting the area where zoning boundaries need to be realigned.</p>	
<p>Proposed Land Zoning Map</p>	 <p>This map shows the same area as the current map, but with the zoning boundaries realigned to match the subdivision boundaries. The E2 (orange) area is now a larger, more rectangular shape on the left. The RE1 (green) area is now a larger, more rectangular shape in the center, bounded by Caddens Road, Pandorea Street, and White Cedar Avenue. The R2 (pink) area covers the rest of the area. The red circle from the current map is no longer present, as the boundaries have been realigned.</p>	

The Height of Buildings Map is to be amended as follows:

<p>Current Height of Buildings Map (including added red circles to assist in identifying the areas to be changed)</p>	 <p>This map shows a residential area with several streets: CADDENS ROAD at the top, PANDOREA STREET running diagonally from the top-left to the bottom-right, WHITE CEDAR AVENUE running vertically on the right, REDGUM STREET running horizontally in the middle-right, and CHERRYWOOD STREET running horizontally at the bottom-right. A large red circle is drawn around a triangular area bounded by CADDENS ROAD, PANDOREA STREET, and WHITE CEDAR AVENUE. The area inside the circle is white, while the surrounding areas are green.</p>
<p>Proposed Height of Buildings Map</p>	 <p>This map is identical to the current map, showing the same streets and layout. However, the red circle highlighting the triangular area is removed. The triangular area remains white, and the surrounding areas remain green.</p>

The Lot Size Map is to be amended as follows:

<p>Current Lot Size Map (including added red circles to assist in identifying the areas to be changed)</p>	 A map of a residential area with streets labeled: CADDENS ROAD, PANDOREA STREET, WHITE CEDAR AVENUE, REDGUM STREET, CHERRYWOOD STREET, and K1. A red circle is drawn around a specific area on Caddens Road, Pandorea Street, and White Cedar Avenue.
<p>Proposed Lot Size Map</p>	 A map of the same residential area as the current map, with the same street labels. The red circle from the current map is removed, showing the proposed lot size map.

Properties affected by amendment:

- Pandorea Street
- 282-292 Caddens Road (Lots 196 and 197 DP 1169281)
- Lot 499 Caddens Road (Lot 499 DP 1197976)

- Height of Buildings Map – Tile 013
- Lot Size Map – Tile 013

8. ALIGN LOT SIZE CONTROL WITH LOCATION OF RE1-ZONED LAND AT GLENMORE PARK STAGE 2

There is a misalignment in the mapped lot size controls in the vicinity of land zoned RE1 at Glenmore Park Stage 2, Precinct C. It is proposed that the lot size control is amended so as to not apply the RE1-zoned land and reflects the correct location of this RE1 zoned area. Some of the residential-zoned land surrounding the RE1 zone is to be applied with a missing lot size control.

The Lot Size Map is to be amended as follows:

**Zoning map

Properties affected by amendment:

- Lot 640 DP 1222236, Forestwood Drive, Glenmore Park
- Lot 7142 DP 1217971, Glenmore Park

Map tiles to be amended:

- Lot Size Map – Tile 007

9. IMPROVEMENT TO LABELLING OF STATE HERITAGE ITEM 187 (STATION MASTERS HOUSE), PENRITH

Some improvements are proposed to apply to the Heritage Map to distinguish State Heritage item 187, being the Station Master's House (former) at Jane Street, Penrith. Four map tiles of the Heritage Map contain this heritage item. Changes are proposed to two of these map tiles – one change being to add a missing label, the other change being to add an '&' between the heritage item reference and another heritage item reference that shares the same location, so as to better distinguish the two items on the map.

The Heritage Map is to be amended as follows:

<p>Current Heritage Map (including added red area to assist in identifying the area to be changed)</p>	
<p>Proposed Heritage Map</p>	

Properties affected by amendment:

- Lot 31, DP 1086586

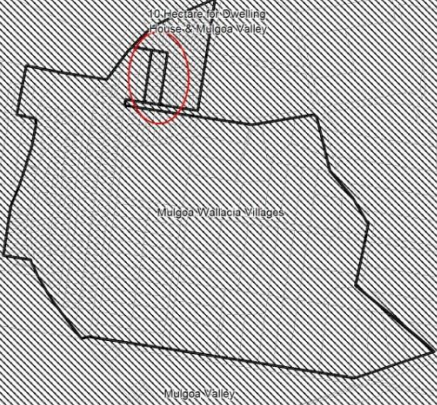

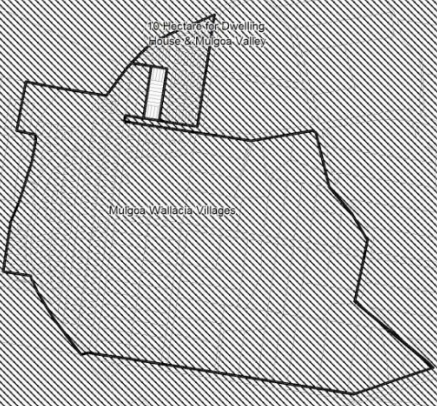

Map tiles to be amended:

- Heritage Map – Tiles 005 and 012.

10. REMOVAL OF '10 HECTARE FOR DWELLING HOUSE' CONTROL FROM RE1 LAND AT MULGOA HALL, MULGOA

The '10 hectare for dwelling house' on the Clause Application Map currently applies to an area of RE1-zoned land at Mulgoa Hall, Mulgoa. Dwelling houses are prohibited in RE1 zones. It is proposed to amend the Clause Application Map to change the boundary of the '10 hectare for dwelling house' area so that it does not apply to land zoned RE1 Public Recreation.

The Clause Application Map is to be amended as follows:

<p>Current Clause Application Map (including added red circles to assist in identifying the areas to be changed)</p>	 <p>The map shows a large area labeled 'Mulgoa Valley' with a smaller area labeled 'Mulgoa Valley Village' inside it. A red circle is drawn around a small rectangular area at the top of the 'Mulgoa Valley Village' area, labeled '10 Hectare for Dwelling House at Mulgoa Valley'.</p>	
<p>Proposed Clause Application Map</p>	 <p>The map shows the same area as the current map, but the red circle is no longer present. The '10 Hectare for Dwelling House at Mulgoa Valley' area is now defined by a different boundary, excluding the RE1 Public Recreation land.</p>	

Properties affected by amendment:

- Mulgoa Hall 349 Littlefields Road, Mulgoa (Lots 46 – 57, DP 2721 & Lots 7 – 11, DP 2721)

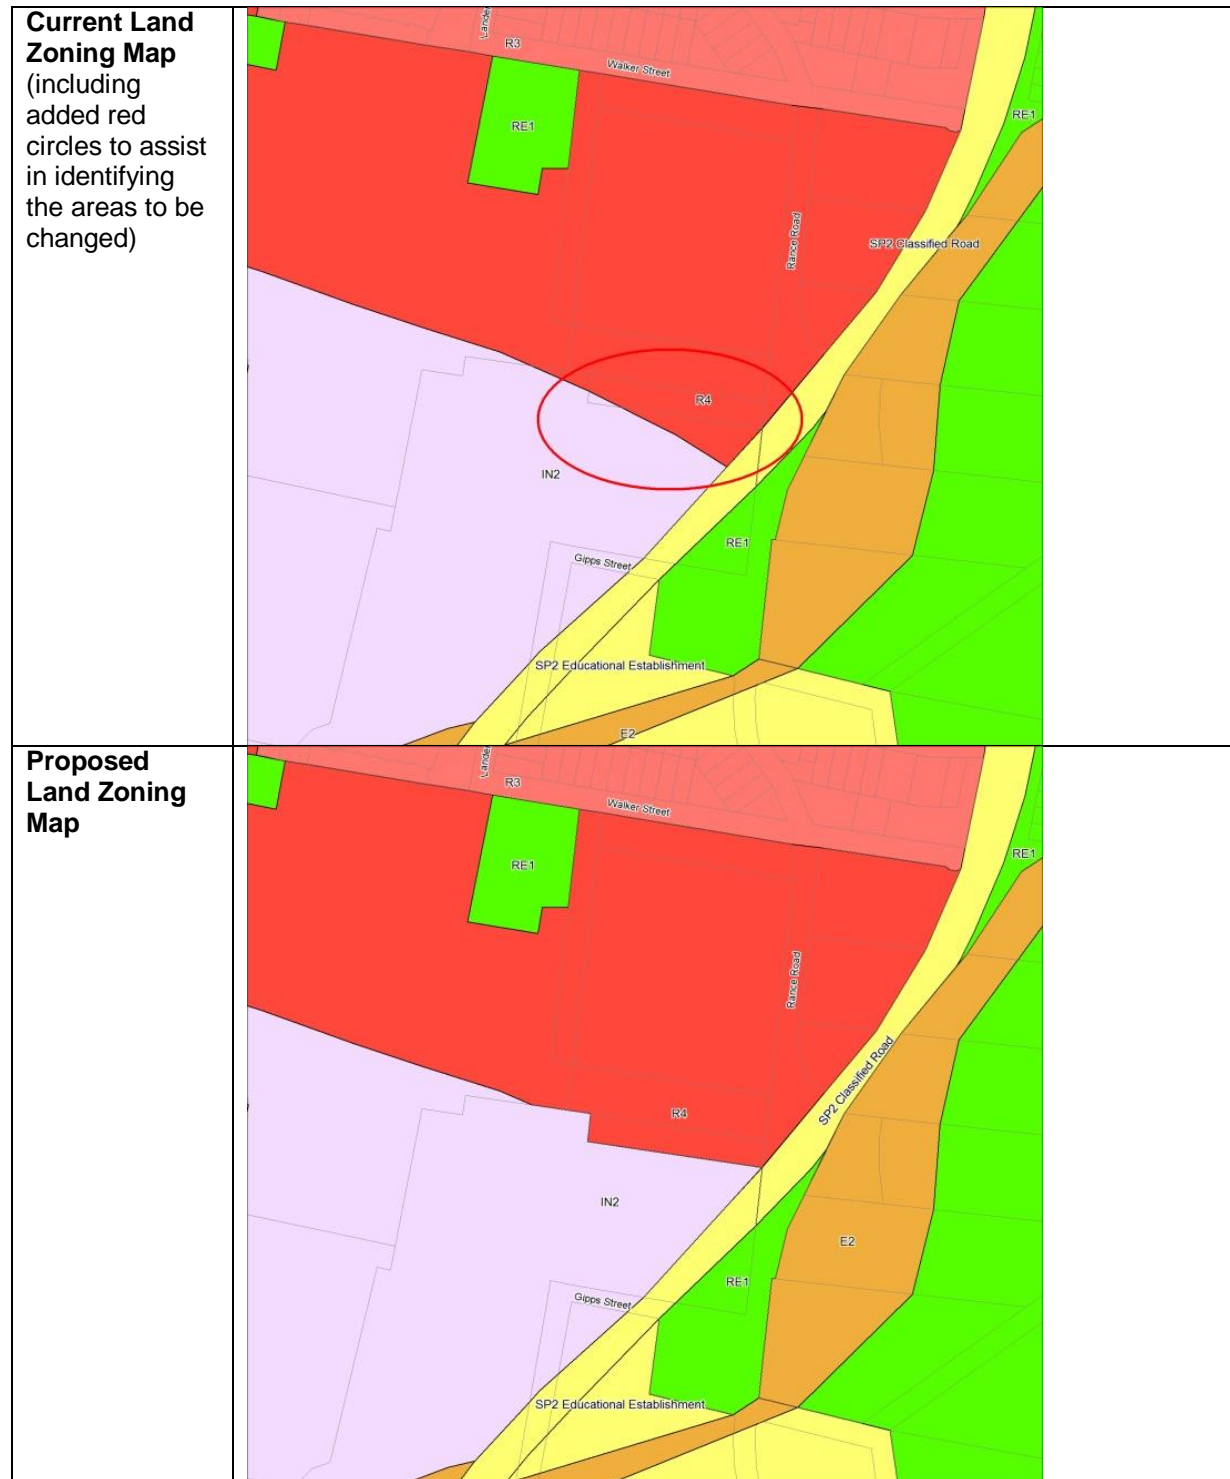

Map tiles to be amended:

- Clause Application Map – Tile 002

11. ALIGN PLANNING CONTROLS TO SUBDIVISION BOUNDARIES AT WERRINGTON

The land zoning, building height and lot size maps in a location at Werrington do not align with property boundaries. It is proposed that these elements are amended accordingly.

The Land Zoning Map is to be amended as follows:

The Height of Buildings Map is to be amended as follows:

<p>Current Height of Buildings Map (including added red circles to assist in identifying the areas to be changed)</p>	 This map shows a residential area with several streets: Rance Road, Werrington Road, Gipps Street, Ternant Road, and The Kingsway. A large yellow-shaded area is labeled 'M2'. A red circle is drawn around a small, light-brown rectangular area located at the intersection of Rance Road and Werrington Road, just north of the yellow 'M2' area.
<p>Proposed Height of Buildings Map</p>	 This map is identical to the one above, showing the same streets (Rance Road, Werrington Road, Gipps Street, Ternant Road, The Kingsway) and the yellow 'M2' area. However, the red circle has been removed, leaving the light-brown rectangular area at the intersection of Rance Road and Werrington Road unhighlighted.

The Lot Size Map is to be amended as follows:

Properties affected by amendment:

- Lot 2 DP 1176624
- Lot 1 DP 527752

Map tiles to be amended:

- Land Zoning Map – Tile 013
- Height of Buildings Map – Tile 013
- Lot Size Map – Tile 013

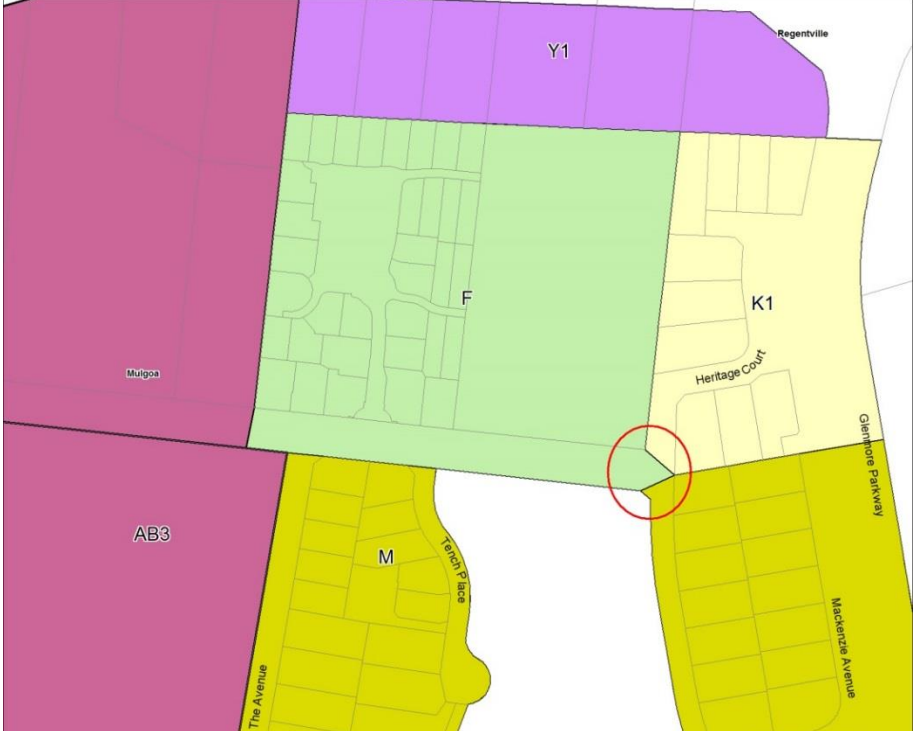

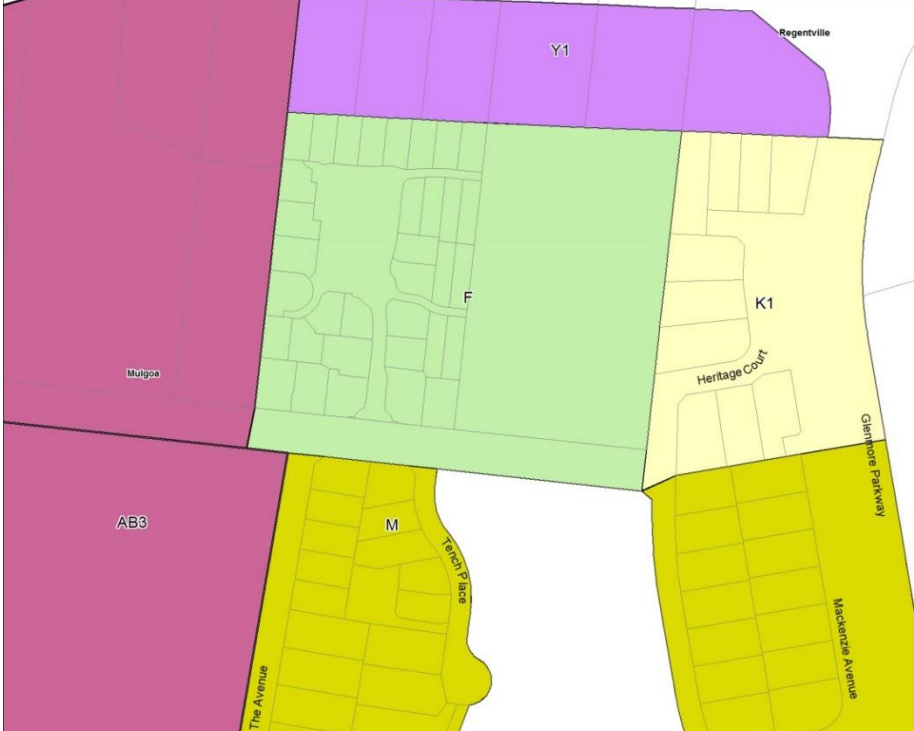

12. ALIGNMENT OF ZONING AND LOT SIZE CONTROLS AT REGENTVILLE ROAD, GLENMORE PARK

An incorrectly-mapped triangular portion of R3-zoned land on Regentville Road at Glenmore Park adjacent to 11 Heritage Court (Lot 1 DP 1040374) needs to be rezoned to R2 Low Density Residential. An amendment to the same area on the Lot Size Map must also be undertaken to change the minimum lot size from 400sqm to 550sqm to be consistent with the lot size currently applying to the adjacent R2-zoned lands.

The Land Zoning Map is to be amended as follows:

<p>Current Land Zoning Map (including added red circles to assist in identifying the areas to be changed)</p>	 <p>The map shows a street grid in Glenmore Park. Regentville Road runs horizontally across the middle. To the north of Regentville Road is a large red-shaded area labeled 'R3'. To the south is a green-shaded area labeled 'RE1'. To the east of Regentville Road is a pink-shaded area labeled 'R2'. A triangular portion of the R3 area, located between Regentville Road and Heritage Court, is circled in red. Other streets shown include The Avenue, Telford Place, and Macdonald Avenue. A yellow area labeled 'SP2 Water Supply Sys' is visible in the top right corner.</p>
<p>Proposed Land Zoning Map</p>	 <p>This map is identical to the current map, but the triangular portion of the R3 area that was circled in red in the current map is now shaded pink and labeled 'R2', indicating it has been rezoned to R2 Low Density Residential.</p>

The Lot Size Map is to be amended as follows:

<p>Current Lot Size Map (including added red circles to assist in identifying the areas to be changed)</p>	
<p>Proposed Lot Size Map</p>	

Properties affected by amendment:

- Regentville Road, Glenmore Park [adjacent to 11 Heritage Court, Glenmore Park (Lot 1 DP 1040374)]

Map tiles to be amended:

- Land Zoning Map – Tile 006
- Lot Size Map – Tile 006

13. ADDITION OF MISSING LOT SIZE CONTROLS AT GLENMORE PARK

A part of Glenmore Park currently does not contain a minimum lot size control. The area is zoned R2 Low Density Residential. The lot size should be 550sqm to be consistent with the minimum lot size applied to adjoining R2 Low Density Residential land.

The Lot Size Map is to be amended as follows:

14. ALIGNMENT OF ZONING, LOT SIZE AND LAND RESERVATION MAPS FOR AGNES BANKS PROPERTIES

It is proposed to amend the zoning and lot size of part of two properties on the eastern side of Castlereagh Road at Agnes Banks which are zoned RU4 Primary Production. The Castlereagh Road frontage of these two properties is identified on the land reservation map for a Classified Road. The mapped zoning and lot size for this land must be amended to be consistent with the boundaries of the land reservation on the land reservation map. It is proposed that the zoning of the applicable land reservation area is changed to SP2 Classified Road and that the minimum lot size is removed from this area.

The Land Zoning Map is to be amended as follows:

<p>Current Land Zoning Map (including added red circles to assist in identifying the areas to be changed)</p>	 <p>The map shows a yellow diagonal strip representing the 'SP2 Classified Road' running from the bottom-left towards the top-right. To the north of this strip is a light brown area labeled 'RU1'. To the south is a darker brown area labeled 'RU4'. Within the RU4 area, two lots are outlined in blue: 'Lot 10 DP 1171071' and 'Lot 11 DP 1171071'. A small orange-shaded area labeled 'E1' is located south of Lot 11. The road itself is labeled 'CASTLEREAGH ROAD'.</p>
<p>Proposed Land Zoning Map</p>	 <p>This map is identical to the current map above, showing the same zoning (RU1, RU4), lots (Lot 10, Lot 11), road (SP2 Classified Road / Castlereagh Road), and area (E1).</p>

15. REMOVE MINIMUM LOT SIZE CONTROL FROM RE1-ZONED LAND AT WALLACIA

It is proposed to remove the minimum lot size controls from the Blaxland Crossing Reserve at Wallacia. This area is zoned RE1 Public Recreation. Minimum lot size controls are not applied to RE1 zones in Penrith LEP 2010.

The Lot Size Map is to be amended as follows:

16. ADDITION OF MISSING ZONING AT CORNER OF OLD BATHURST RD AND RUSSELL ST, EMU PLAINS

A part of the road reserve on the corner of Old Bathurst Road and Russell Street, Emu Plains, adjacent to 162-168 Russell Street, Emu Plains (Lot 10 DP 865951) is missing a zoning on the zoning map. It is proposed to apply a R2 Low Density Residential zone to this part of the road reserve. The R2 zone correlates with the adjacent R2-zoned land and with the 8.5 metre building height which applies to these R2-zoned lands.

The Land Zoning Map is to be amended as follows:

17. CORRECTION TO MAPPED PLANNING CONTROLS ON RAILWAY LAND AT RUSSELL ST, EMU PLAINS

A portion of the Western Railway Line land at Emu Plains is incorrectly currently zoned IN1 General Industrial. This area is proposed to be rezoned to SP2 Railway to provide consistency with the zoning of the remainder of the Western Railway Land in the locality. It is also proposed to remove the building height and lot size controls mapped for this land to provide consistency with Council's approach to other SP2 Railway land in the locality.

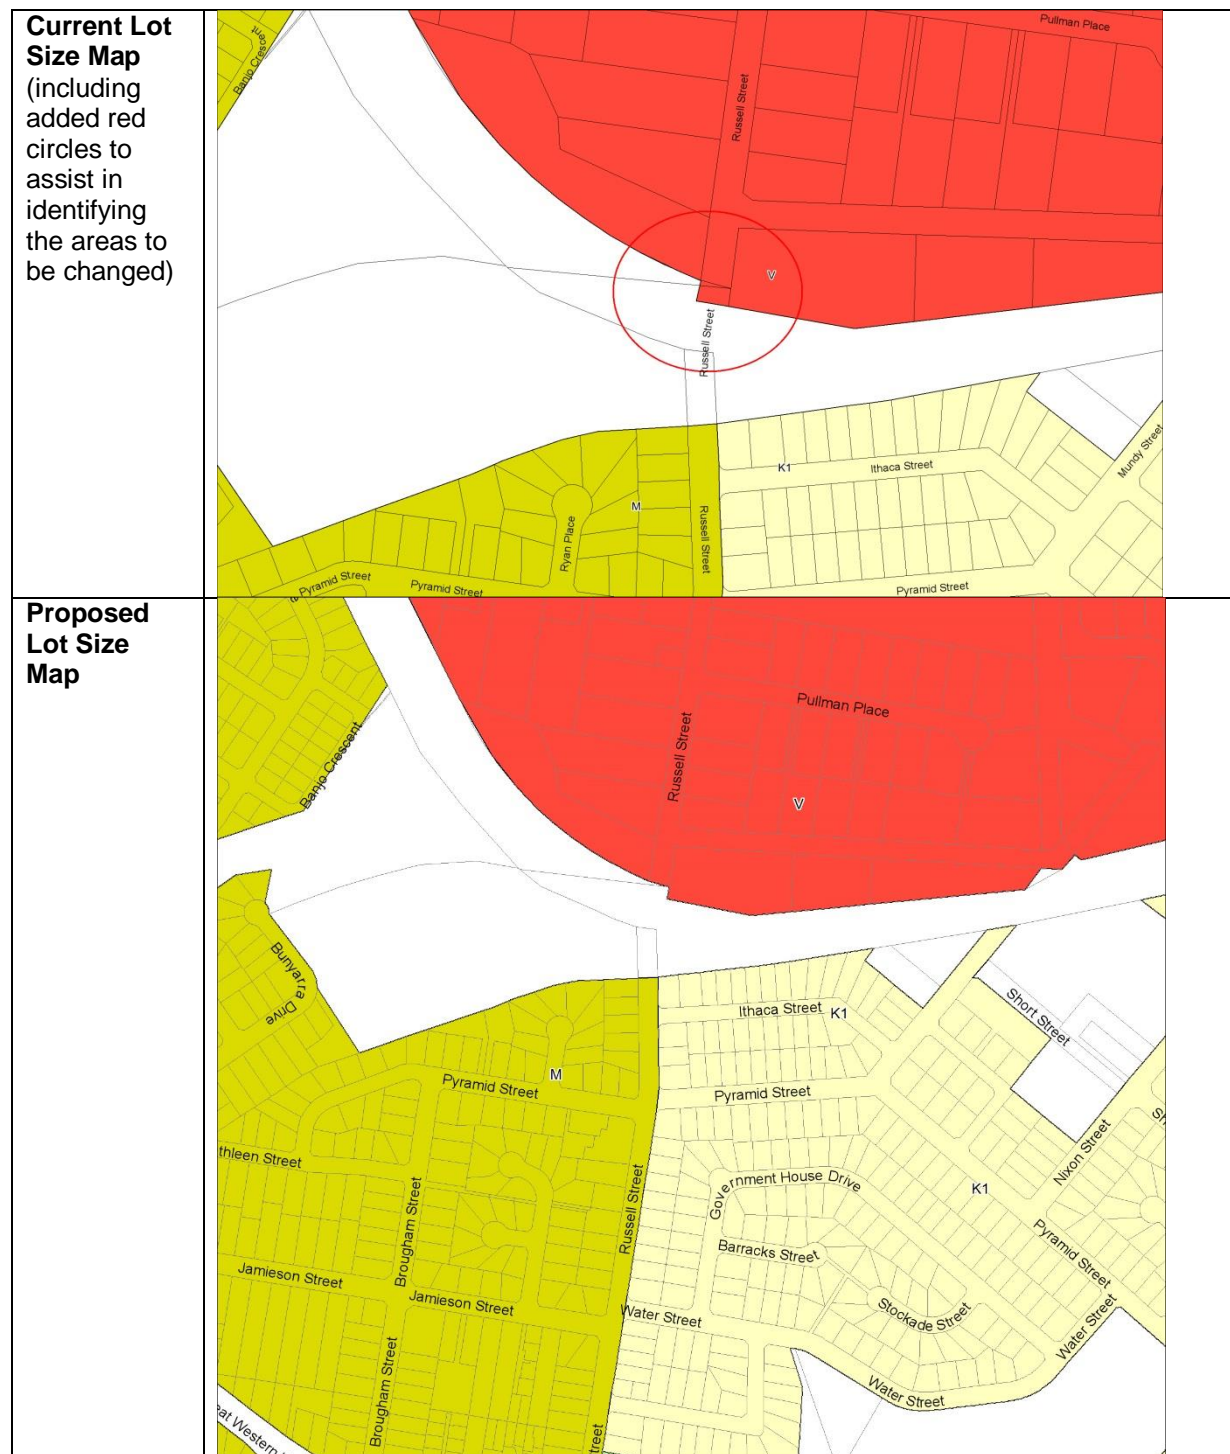

The Land Zoning Map is to be amended as follows:

The Height of Buildings Map is to be amended as follows:

<p>Current Height of Buildings Map (including added red circles to assist in identifying the areas to be changed)</p>	 This map shows a residential area with yellow and green zones. A red circle is drawn around a small area on Russell Street, labeled 'M1'. The map includes labels for various streets: Pullman Place, Russell Street, M1, Ithaca Street, Mundy Street, Pyramid Street, Ryan Place, and Brougham Street.
<p>Proposed Height of Buildings Map</p>	 This map shows the same residential area as the current map, but without the red circle. The yellow and green zones are clearly defined. The map includes labels for various streets: Pullman Place, Russell Street, M1, Ithaca Street, Mundy Street, Short Street, Pyramid Street, Ryan Place, Brougham Street, Government House Drive, Barracks Street, Government House, Nixon Street, and Pyramid Street.

18. CORRECTION TO MAPPED PLANNING CONTROLS AT CARINDA DRIVE AND STEVENSON ST, SOUTH PENRITH

It is proposed that some corrections are made to the mapping of zoning, building height and lot size at Carinda Drive and Stevenson Street, South Penrith. The changes are required due to the incorrect mapping of the RE1 zone on the reserve adjacent to Carinda Drive and Stevenson Street [2-12 Carinda Drive, South Penrith (Lot 10 DP 875877)]. This RE1 zoning overlaps onto Carinda Drive and Stevenson Street.

Zoning map - Rezone the RE1-zoned portion of Carinda Drive and Stevenson Street to R2 Low Density Residential to correlate with the R2 zoning of adjacent lands.

Building height map - Apply a maximum building height of 8.5 metres to the RE1-zoned portion of Carinda Drive and Stevenson Street. This area currently does not contain a building height control. An 8.5 metre height correlates with the building height prescribed to adjacent residential areas.

Lot size map - Apply a minimum lot size of 550sqm to the RE1-zoned portion of Carinda Drive and Stevenson Street. This area currently does not contain a minimum lot size control. A 550sqm minimum lot size correlates with the minimum lot size prescribed to adjacent residential areas.

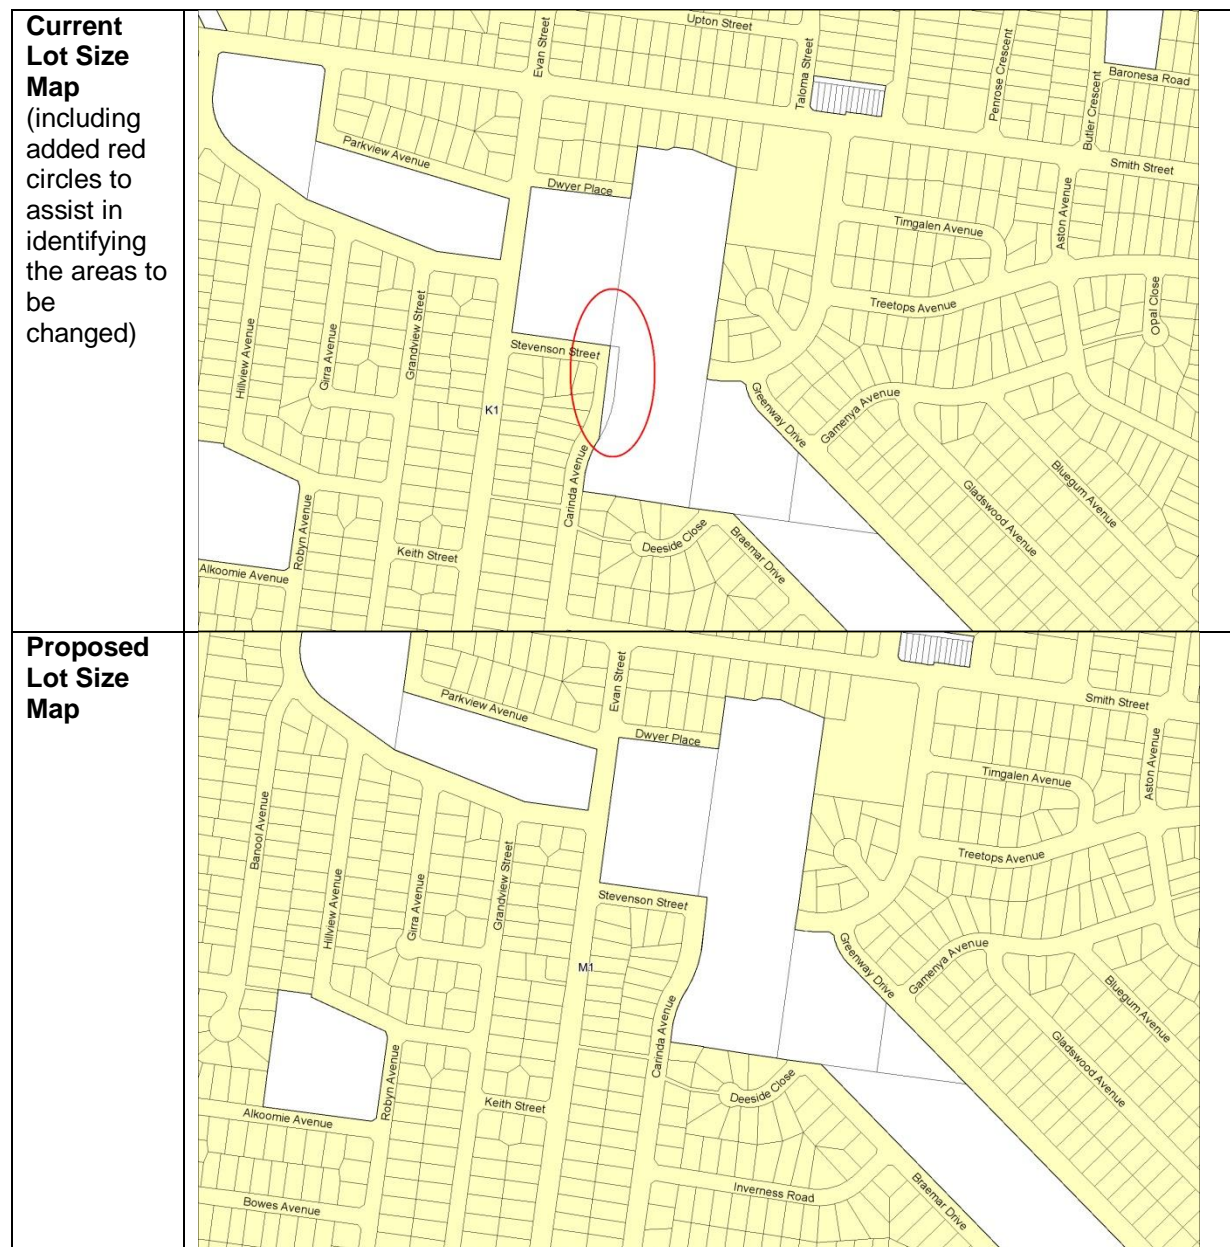

The Land Zoning Map is to be amended as follows:

19. CORRECTION TO MAPPED PLANNING CONTROLS AT PARKLAWN PLACE SHOPS, NORTH ST MARYS

It is proposed to correct the zoning, height and lot size controls at the two areas which are zoned RE1 Public Recreation and which contain the North St Marys Neighbourhood Centre and the Wattle Avenue Reserve in the vicinity of Parklawn Place, North St Marys. The adjacent roads (Wattle Lane and Debrincat Lane) are incorrectly zoned as RE1. These areas are located either side of the Parklawn Place shops at North St Marys. It is proposed to rezone Wattle Lane and Debrincat Lane to R2 Low Density Residential. A minimum lot size control of 550sqm and a maximum building height of 8.5m is also proposed to be applied to these roads, to align with the change in zoning. These proposed changes will correlate with the controls already applying to the locality.

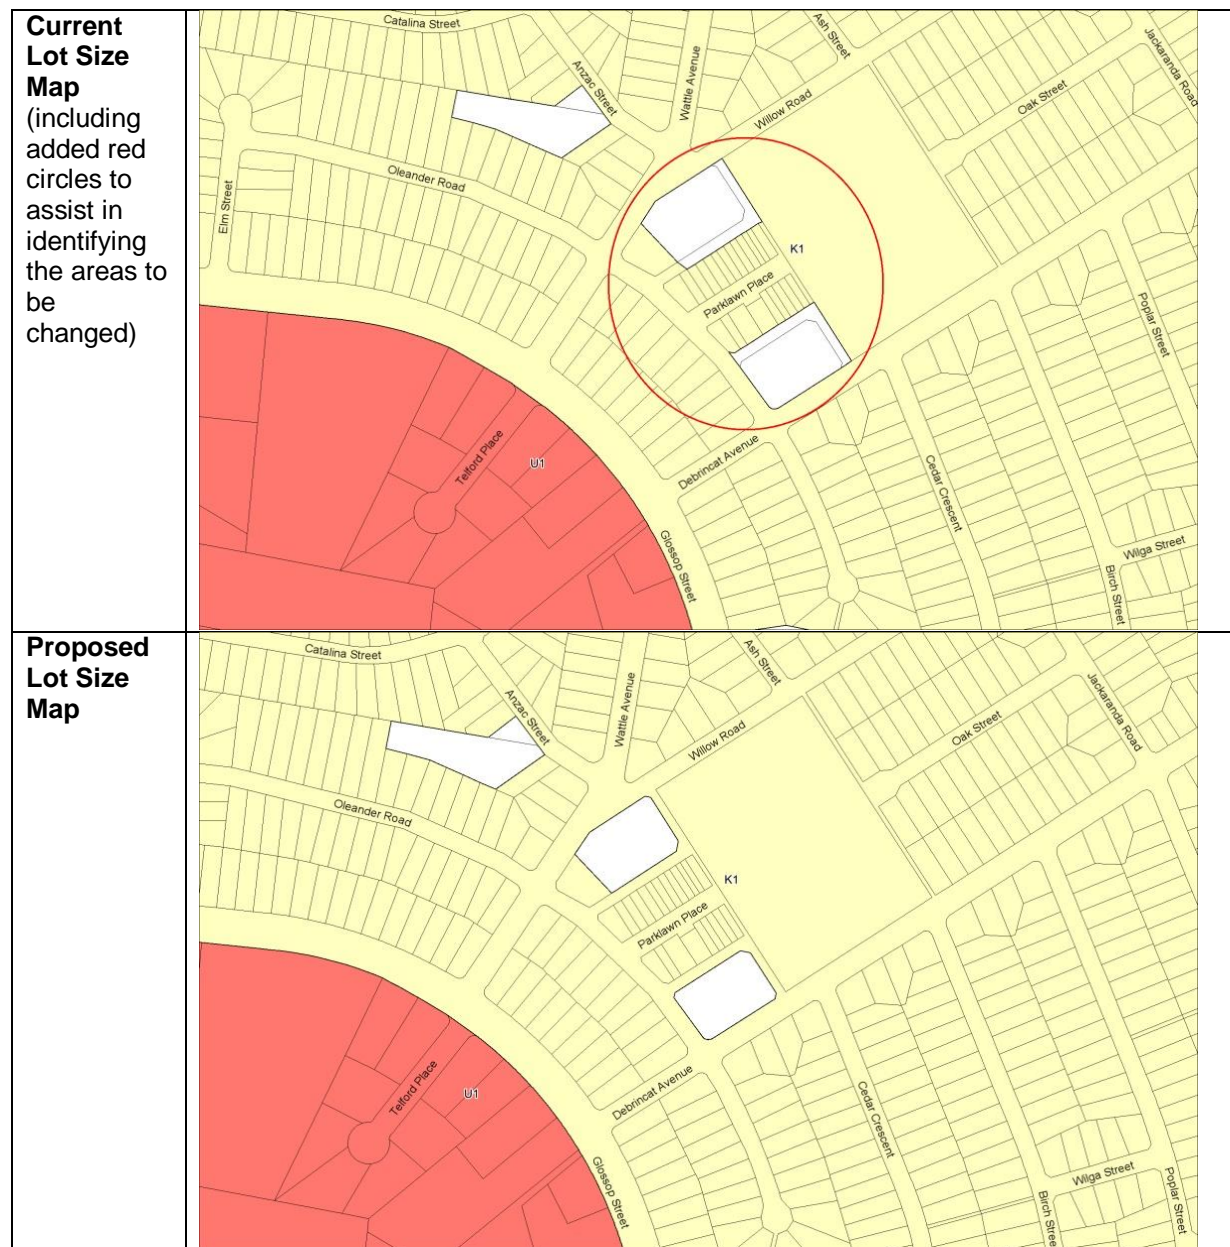

The Land Zoning Map is to be amended as follows:

The Height of Buildings Map is to be amended as follows:

The Lot Size Map is to be amended as follows:

Properties affected by amendment:

- Wattle Lane, North St Marys

20. ADDITION OF MISSING LOT SIZE CONTROL TO PROPERTIES AT CHAMELEON DRIVE, ERSKINE PARK

Three properties on Chameleon Drive in Erskine Park are missing minimum lot size controls. The properties are zoned R2 Low Density Residential. It is proposed that a minimum lot size of 550sqm be applied to this land, which is consistent with the lot size control currently applying to R2 zoned land in the locality.

The Lot Size Map is to be amended as follows:

Lot 6 Donohoes Avenue is zoned RE1 Public Recreation and has a minimum lot size of 20ha. This needs to be removed because lot size controls are not applied to RE1 zones.

The Lot Size Map is to be amended as follows:

Current Lot Size Map (including added red circles to assist in identifying the areas to be changed)	 The map shows a pink-shaded area representing the current lot size control. A red circle is drawn around a specific portion of this area, labeled 'AB2', indicating the area to be removed from the control. The surrounding area is labeled 'AB3'.
Proposed Lot Size Map	 The map shows the same pink-shaded area as the current map, but the portion labeled 'AB2' is now white, indicating it has been removed from the lot size control. The surrounding area remains labeled 'AB3'.

23. CORRECTION TO MAPPED PLANNING CONTROLS AT 35-39 PUTLAND STREET, CLAREMONT MEADOWS

35-39 Putland Street has a split zoning (R3 Medium Density Residential and B6 Enterprise Corridor) due to misalignment of the mapped planning control with the property boundary. The lot should be zoned entirely R3 Medium Density Residential. The lot size and building height should be amended to 400m² and 8.5m respectively.

24. ALIGNMENT OF MAPPED BUILDING HEIGHT CONTROLS AT PROPERTIES IN WATERSIDE (CRANEBROOK)

The mapped building height control at Jaeger Street, Waterside (Cranebrook) is proposed to be re-aligned to follow the subdivision boundary. The area currently contains a mix of 8.5 metre or 12 metre building height controls. The area is zoned R1 General Residential. The current mapped building height controls in the LEP align with the originally intended subdivision pattern and dwelling type delineated in DCP 2014.

Dwellings in this area have been constructed. Higher density dwellings are located adjacent to Lakeview Drive to the south, and lower density dwellings are located north of these properties. In this regard, it is proposed that the mapped boundaries of the building height controls are realigned so that the 12 metre height control is applied to the properties adjacent to Lakeview Drive, whilst the properties north of this (including the access road) are applied with a building height of 8.5 metres.

The Height of Buildings Map is to be amended as follows:

<p>Current Height of Buildings Map (including added red circles to assist in identifying the areas to be changed)</p>	 <p>This map shows the current building height controls. The area is divided into green (8.5m) and yellow (12m) zones. A red circle highlights a section of Jaeger Street where the boundary is being re-aligned. The map includes labels for Lakeview Drive, Nightjar, Jaeger Street, and Lakeview Street.</p>
<p>Proposed Height of Buildings Map</p>	 <p>This map shows the proposed building height controls. The boundaries between the green (8.5m) and yellow (12m) zones have been re-aligned to follow the subdivision boundary. The map includes labels for Lakeview Drive, Nightjar, Jaeger Street, and Lakeview Street.</p>

26. ADDITION OF MISSING LOT SIZE CONTROL AT 5 PEPPERTREE DRIVE, ERSKINE PARK

5 Peppertree Drive currently does not contain a mapped minimum lot size control. It is proposed to apply a 550 square metre lot size control to this site, consistent with the lot size applied to the surrounding R2-zoned lands.

The Lot Size Map is to be amended as follows:

Current Lot Size Map (including added red circles to assist in identifying the areas to be changed)	 A map of a residential area in Erskine Park. The map shows several streets: Peppertree Drive, Diggs Crescent, Barcoo Close, Fauna Road, and Buranda Place. A specific lot on Peppertree Drive is highlighted with a red circle. This lot is labeled 'K1'. The surrounding area is filled with yellow, representing the mapped lot size control.
Proposed Lot Size Map	 A map of the same residential area as the current map, showing the same streets and lot boundaries. However, the red circle around the lot on Peppertree Drive is removed. The lot is still labeled 'K1'. The surrounding area is filled with yellow, representing the mapped lot size control.

Properties affected by amendment:

- 5 Peppertree Drive (Lot 150 DP 703879)

Map tiles to be amended:

- Lot Size Map – Tile 020

27. REMOVAL OF E2-ZONED LAND FROM 23-25 BOSCOBEL ROAD, LONDONDERRY

The mapped zoning controls for 23-25 Boscobel Road, Londonderry incorrectly includes a portion of E2 Environmental Conservation zoned land. This mapping error is proposed to be corrected by rezoning this E2 portion of the site to RU4 Primary Production Small Lots, which is the predominant zoning of the site and surrounds.

The Land Zoning Map is to be amended as follows:

Current Land Zoning Map (including added red circles to assist in identifying the areas to be changed)	 The map shows a street grid with Boscobel Road running horizontally and Londonderry Road running vertically on the right. A portion of the land along Boscobel Road is colored orange and labeled 'E2'. A red circle is drawn around a small rectangular area within this orange-shaded region, indicating the specific area to be rezoned. The surrounding areas are colored a lighter tan and labeled 'RU4'.
Proposed Land Zoning Map	 This map shows the same area as the current map, but with the rezoning change implemented. The orange-shaded 'E2' area is now a lighter tan color and labeled 'RU4'. The red circle from the previous map is still present, showing the location of the amendment. The rest of the map, including the 'E2' area to the south and the 'RU4' areas to the north and east, remains unchanged.

Properties affected by amendment:

- 23-25 Boscobel Road (Lot 25 DP 23989)

28. REALIGNMENT OF MAPPED PLANNING CONTROLS AT EASTERN HILLTOP PARK, CADDENS

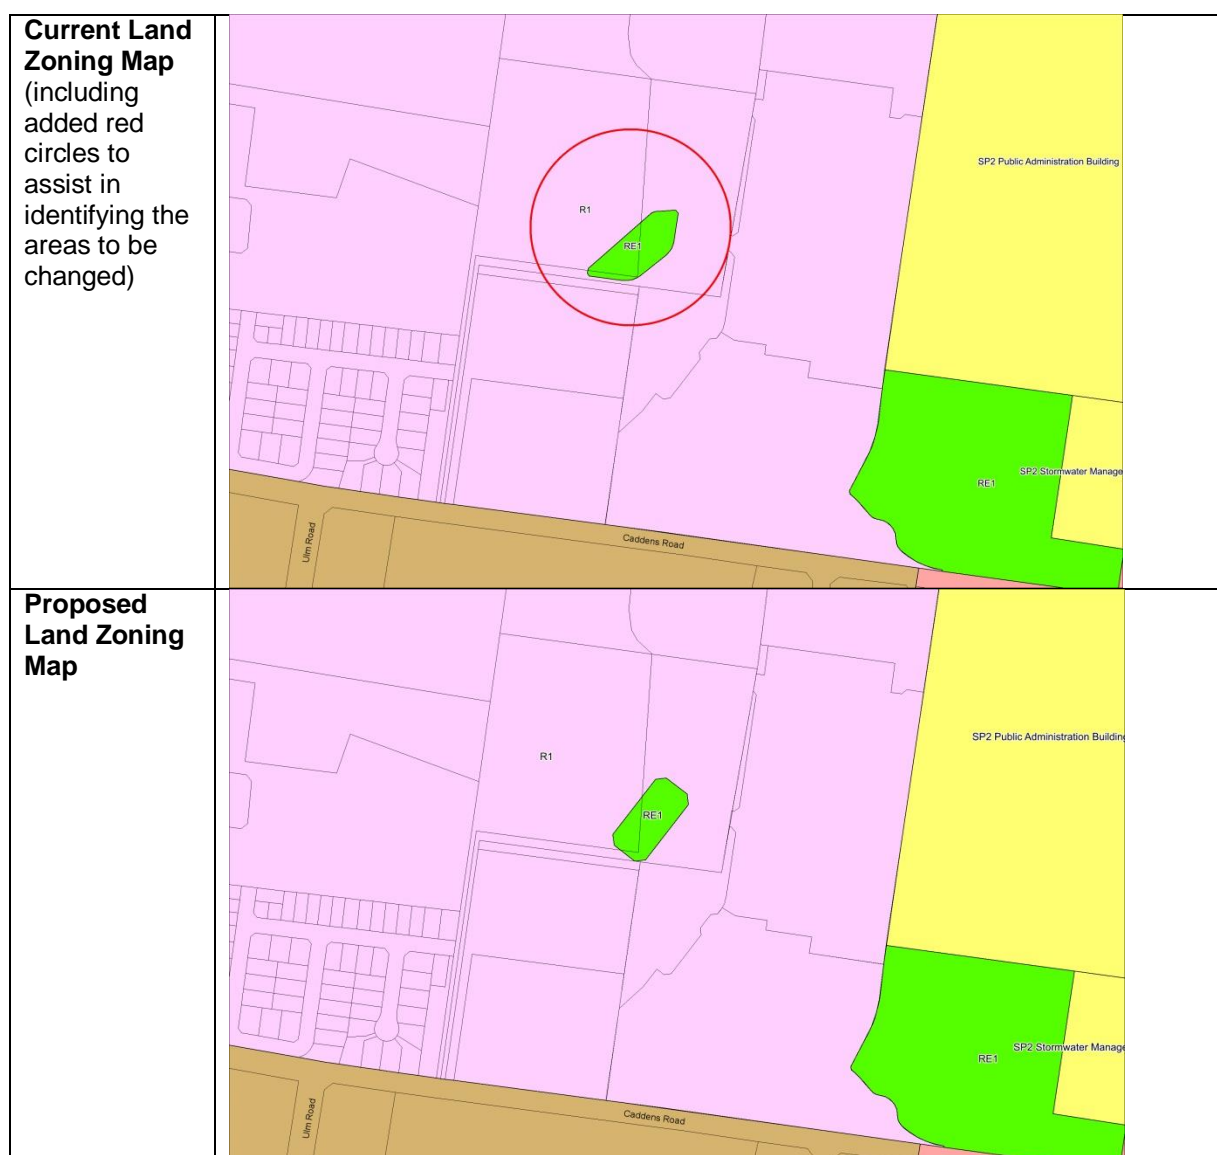

The boundaries of the planned Eastern Hilltop Park at Caddens have been reconfigured as part of the development application process for subdivision of the area and approved as part of development application DA16/1166. The park site is currently zoned RE1 Public Recreation on the Land Zoning Map and is identified on the Land Reservation Acquisition Map.

An amendment is proposed to LEP 2010 to reflect the new park boundaries, which will result in changes to the Land Zoning Map. This also results in the need to update the Lot Size Map and Height of Buildings Map in this location so as to allow these mapped controls to follow the new boundary set by the zoning.

The Land Reservation Acquisition Map is proposed to be amended to reflect the new location of the park. It is noted that the current endorsed Land Reservation Map contains an error where not all the Eastern Hilltop Park site has been included on the map.

The new boundaries of the Eastern Hilltop Park (known as lot 498) provide a park area of 3,500 square metres which is comparable to the area required under DCP 2014 and the size of the current RE1-zoned area in LEP 2010.

The Land Zoning Map is to be amended as follows:

The Height of Buildings Map is to be amended as follows:

<p>Current Height of Buildings Map (including added red circles to assist in identifying the areas to be changed)</p>	 The map shows a green residential area with a white building labeled 'J' circled in red. To the right is a large tan area labeled 'O' and a small cyan area labeled 'C'. Roads 'Ulm Road' and 'Caddens Road' are at the bottom.
<p>Proposed Height of Buildings Map</p>	 This map is identical to the current one, but the red circle around building 'J' has been removed.

The Lot Size Map is to be amended as follows:

<p>Current Lot Size Map (including added red circles to assist in identifying the areas to be changed)</p>	 This map shows a land area with various colored zones. A large green area is at the top, containing a white lot labeled 'G' which is circled in red. Below the green area is a yellow strip labeled 'M'. At the bottom are purple areas, one labeled 'Ulm Road' and another 'Caddens Road'. The map shows lot boundaries and some surrounding white areas.
<p>Proposed Lot Size Map</p>	 This map is identical to the current map but without the red circle around the white lot 'G'. The green area, yellow strip 'M', and purple areas 'Ulm Road' and 'Caddens Road' are all present and labeled the same.

The Land Reservation Acquisition Map is to be amended as follows:

Current Land Reservation Acquisition Map (including added red circles to assist in identifying the areas to be changed)	 A map showing land parcels with a yellow highlighted area in the center, enclosed by a red circle. The highlighted area is a small, irregularly shaped plot of land.
Proposed Land Reservation Acquisition Map	 A map showing land parcels with a yellow highlighted area in the center. The highlighted area is a small, irregularly shaped plot of land. The label 'Caddens Road' is visible at the bottom of the map.

29. REALIGNMENT OF MAPPED SCENIC AND LANDSCAPE VALUE CONTROLS AT GANNET DRIVE, CRANEBROOK

An objective of the scenic character and landscape values provisions of LEP 2010 is to identify and protect areas that have particular scenic value either from major roads, identified heritage items or other public places.

The Scenic and Landscape Values Map partially affects portions of a number of privately-owned lots Gannet Drive and Pipet Way, Cranebrook. This is due to a mapping anomaly where the mapped controls have not been correctly aligned with the subdivision boundaries. The partial affectation of these lots is unwarranted and is proposed to be changed by removing the Scenic and Landscape Values mapping from these lots.

The Scenic and Landscape Values Map is to be amended as follows:

Current Scenic and Landscape Values Map (including added red circles to assist in identifying the areas to be changed)	
Proposed Scenic and Landscape Values Map

31. ALIGNMENT OF MAPPED PLANNING CONTROLS & BOUNDARIES AT ST CHARBEL BOULEVARD, WERRINGTON

A number of properties at St Charbel Boulevard, Werrington contain split zonings. This is not warranted and is proposed to be corrected by applying a single zoning for each applicable property. The properties contain an R1 General Residential zoning and either an R3 Medium Density Residential zoning or a B7 Business Park zoning. It is proposed to extend the R1 General Residential zoning so as to apply to the full lot in each instance, as this is the predominant zoning of that locality. The R1 zoning will also be extended to apply to St Charbel Boulevard.

In regard to the height of building control, some properties on St Charbel Boulevard contain split building heights of 8.5 metres and 25 metres. It is proposed to extend the 8.5 metre building height across the full property, as it is the predominant building height in that locality. The 8.5 metre building height will also be extended to apply to St Charbel Boulevard.

The Land Zoning Map is to be amended as follows:

The Height of Buildings Map is to be amended as follows:

<p>Current Height of Buildings Map (including added red circles to assist in identifying the areas to be changed)</p>	 <p>The map shows a residential area with streets including Kingsbury Pl, Kingsley Gr, Ave, Cottage St, Victoria St, Impala Ave, and Great Western. The legend on map tiles 001 to 013 and 016 to 021 for the Lot Size Map is to be amended to add the missing “B” label, which indicates 225 square metres. It is noted that tiles 014 and 015 of the Lot Size Map currently include this label in the legend, however the label is missing from the remainder of the map tiles for the Lot Size Map.

The legend on map tiles 001 to 013 and 016 to 021 for the Lot Size Map is to be amended as follows:

INSTRUMENT AND MAPPING AMENDMENTS

36. ACTIVE STREET FRONTAGE FOR GLENMORE PARK TOWN CENTRE

The mapped planning controls delineating active street frontages at the Glenmore Park Town Centre, which are currently prescribed in Figure E7.11 – Active street frontages of Part E7 (Glenmore Park) of DCP 2014, are proposed to be added to the LEP 2010 Active Street Frontages Map.

The purpose of these changes is to reflect a clear intention to deliver an activated and pedestrianised environment in this location. The intention of Clause 7.8 Active street frontages of LEP 2010 is to promote uses that attract pedestrian traffic along ground floor street frontages. This location, with its B2 Local Centre zoning, proximity to public transport services and conducive built form provide supporting arguments that active street frontages should be mapped in this area.

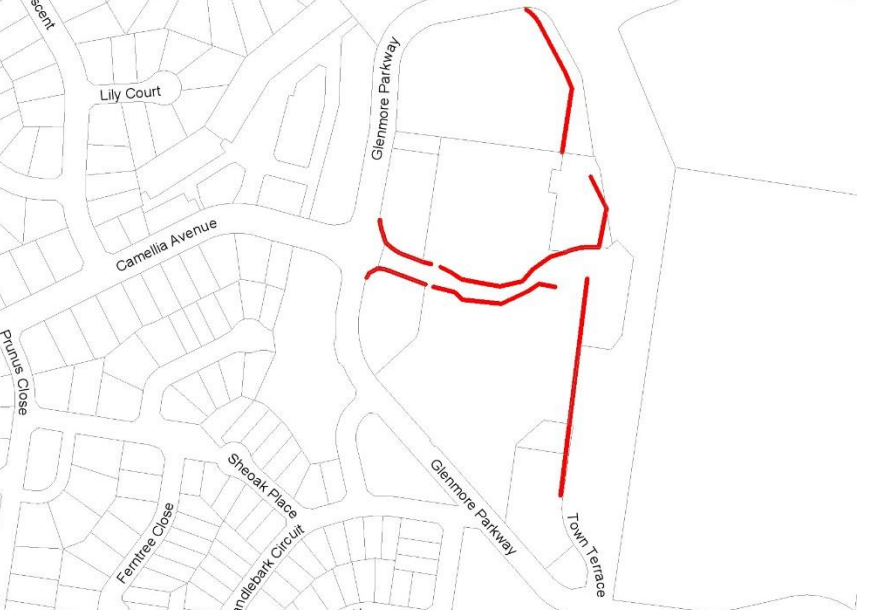

A change is also proposed to Clause 7.8 (Active street frontages) of LEP 2010 to add B2 Local Centre zones to the list of zones covered by the clause objectives. The Glenmore Park Town Centre is zoned B2 Local Centre under LEP 2010.

The purpose of these changes is to provide consistency between LEP 2010 and DCP 2014.

Clause 7.8(1) is to be amended as follows:

Current Clause	<i>(1) The objective of this clause is to promote uses that attract pedestrian traffic along certain ground floor street frontages in Zone B3 Commercial Core and Zone B4 Mixed Use.</i>
Changes	<i>(1) The objective of this clause is to promote uses that attract pedestrian traffic along certain ground floor street frontages in <u>Zone B2 Local Centre</u>, Zone B3 Commercial Core and Zone B4 Mixed Use.</i>
Proposed Clause	<i>(1) The objective of this clause is to promote uses that attract pedestrian traffic along certain ground floor street frontages in Zone B2 Local Centre, Zone B3 Commercial Core and Zone B4 Mixed Use.</i>

The Active Street Frontages Map is to be amended as follows:

38. DELETION OF ADDITIONAL PERMITTED USES FROM 2065-2113 THE NORTHERN ROAD AND 1-29 BRADLEY STREET, GLENMORE PARK

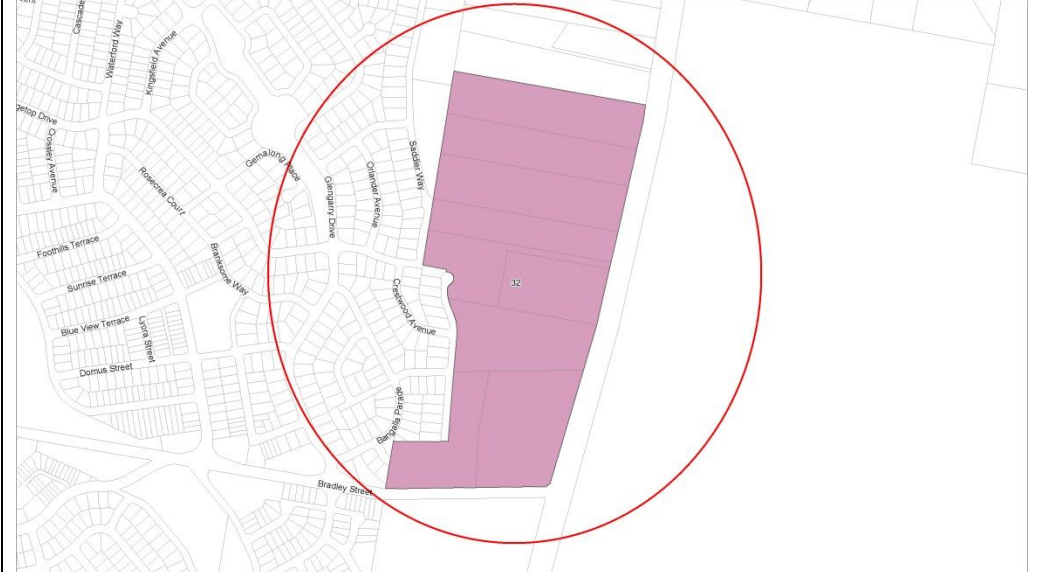

Clause 3 of Schedule 1 Additional Permitted Uses within LEP 2010 provides for certain additional permitted uses to occur at the subject site, however under Clause 3(3) of Schedule 1 these provisions cease to apply on or after 14 June 2015. This timeframe has now been passed which renders these provisions redundant. Accordingly, Clause 3 is proposed to be repealed from LEP 2010 and the Additional Permitted Uses Map is proposed to be amended to remove the subject site from the map.

The clause relates to use of certain land at 2065–2113 The Northern Road and 1–29 Bradley Street, Glenmore Park, whereby development or the purposes of seniors housing consisting of 167 dwellings, including farmlets, villas, townhouses and associated development including community facilities and a residential care facility, is permitted with development consent.

Schedule 1 Additional permitted uses, Clause 3 is to be amended as follows:

Current Clause	<p>3 <i>Use of certain land at 2065–2113 The Northern Road and 1–29 Bradley Street, Glenmore Park</i></p> <p>(1) <i>This clause applies to land at 2065–2113 The Northern Road and 1–29 Bradley Street, Glenmore Park, being the land identified as “32” on the Additional Permitted Uses Map.</i></p> <p>(2) <i>Development for the purposes of seniors housing consisting of 167 dwellings, including farmlets, villas, townhouses and associated development including community facilities and a residential care facility, is permitted with development consent.</i></p> <p>(3) <i>This clause ceases to apply on and after 14 June 2015.</i></p>

Part 3 – Justification

This part of the Planning Proposal presents the need for the proposed amendments to LEP 2010, the relationship with the strategic planning framework, the impacts of the proposed changes, and State and Commonwealth interests.

Section A – Need for the Planning Proposal

The Planning Proposal is not the result of any strategic study or report. The proposed items within this Planning Proposal have been identified from a review of LEP 2010.

A Planning Proposal is the best way to achieve the objectives and intended outcomes. An amendment to LEP 2010 is required to rectify the errors and anomalies within the LEP written instrument and maps.

Section B – Relationship to Strategic Planning Framework

Greater Sydney Region Plan

In March 2018, the Greater Sydney Commission published the *Greater Sydney Region Plan – A Metropolis of Three Cities*. The Plan sets a 40-year vision (to 2056) and establishes a 20-year plan to manage growth and change for Greater Sydney in the context of social, economic and environmental matters, and, guides the delivery of infrastructure. The Plan is built on a vision of three cities where most residents live within 30 minutes of their jobs, education and health facilities, services and great places.

The Planning Proposal is consistent with the Greater Sydney Region Plan due to the proposed changes being of minor significance.

Western City District Plan

In March 2018, the Greater Sydney Commission published the *Western City District Plan* (WCDP). It is a 20-year plan to manage growth in the context of economic, social and environmental matters to achieve the 40-year vision for Greater Sydney. The WCDP informs the assessment of planning proposals and provides the link between regional and local planning.

The Planning Proposal is consistent with the Western City District Plan due to the proposed changes being of minor significance.

A Plan for Growing Sydney

In December 2014, the NSW Government published A Plan for Growing Sydney setting out its vision for Sydney to be a strong global city and a great place to live. It also identifies key challenges facing Sydney, including the provision of housing for a significant population increase.

This plan also sets a number of goals for the economy, housing choice, healthy communities, a sustainable and resilient city, and the protection of the natural environment. The plan also sets directions and actions to deliver these goals; relevant directions for this Planning Proposal include:

- Grow strategic centres - providing more jobs closer to home.
- Accelerating housing supply across Sydney.
- Improving housing choice to suit different needs and lifestyles.

A comprehensive assessment of the objectives and strategies of A Plan for Growing Sydney was previously undertaken during the preparation of Amendment 4 to LEP 2010 (being Stage 2 of the

City-wide LEP). Further assessment is not warranted due to the nature of the amendments proposed.

The Planning Proposal is consistent with *A Plan for Growing Sydney* due to the proposed changes being of minor significance.

Penrith Community Plan

The Penrith Community Plan was adopted by Council on 24 June 2013 and represents the community's vision for the Penrith LGA over the next 20 years.

The Plan outlines the priorities for the community and includes the following outcomes:

1. We can work close to home.
2. We plan for future growth.
3. We can get around the city.
4. We have safe, vibrant places.
5. We care for our environment.
6. We are healthy and share strong community spirit.
7. We have confidence in our Council.

A comprehensive assessment of the objectives and strategies of the Penrith Community Plan was previously undertaken during the preparation of Amendment 4 to LEP 2010 (being Stage 2 of the City-wide LEP). Further assessment is not warranted due to the nature of the amendments proposed being of minor significance.

State Environmental Planning Policies

The NSW Government publishes State Environmental Planning Policies (SEPPs) and Sydney Regional Environmental Plans (SREPs or deemed SEPPs). These documents deal with matters of State or regional planning significance. The Planning Proposal is consistent with applicable State Environmental Planning Policies (SEPPs), as demonstrated below, due to the proposed changes being of minor significance.

Penrith Local Environment Plan 2010

LEP 2010 prescribes the written provisions and mapped planning controls that are proposed to be amended by this Planning Proposal.

Penrith Development Control Plan 2014

DCP 2014 applies to the area proposed to be amended by this Planning Proposal.

Section C – Environmental, Social and Economic Impacts

As the nature of the amendments within this Planning Proposal relate to rectifying errors and anomalies in LEP 2010, it is unlikely that any critical habitats or threatened species, populations or ecological communities, or their habitats, will be adversely affected as a result of the Planning Proposal.

Fixing these errors will result in a more accurate LEP and remove potential obstacles to future development. This will result in positive social and economic effects for the Penrith LGA by reducing the potential for delays in planning processes in the future.

Section D – State and Commonwealth Interests

There is adequate public infrastructure for the Planning Proposal. The Planning Proposal largely seeks to rectify mapping anomalies to various parcels of land throughout the LGA, the majority which are located in existing urban areas that are adequately serviced by public infrastructure.

Consultation will be carried out with the relevant public authorities in accordance with the Gateway Determination (see Appendix 2) and Altered Gateway Determination (see Appendix 3). It is noted that the NSW Rural Fire Service has been consulted and has provided a submission which may be found at Appendix 4.

Part 4 – Mapping

The following map tiles are proposed to be amended as part of the Planning Proposal.

Map	Tile Number
Land Zoning	003, 005, 006, 007, 011, 012, 013, 019
Lot Size	001, 002, 003, 004, 005, 006, 007, 008, 009, 010, 011, 012, 013, 014, 015, 016, 017, 018, 019, 020, 021
Land Reservation Acquisition	013
Height of Buildings	005, 007, 012, 013, 019
Scenic and Landscape Values	005, 012
Heritage	005, 012, 013
Additional Permitted Uses	007, 014
Active Street Frontages	006, 013
Cause Application	002
Urban Release Areas	007

The proposed LEP 2010 map tiles are provided at Appendix 1.

It is noted that the proposed Height of Buildings map tiles incorporate the changes proposed to LEP 2010 by a planning proposal to reclassify and rezone 7 sites in Erskine Park and St Clair (PP_2016_PENRI_004_00). The changes sought to sites under this planning proposal relate to HOB map sheets 019 and 020. It is anticipated that the finalisation of this planning proposal is imminent and therefore the relevant changes have been incorporated in the proposed Height of Buildings map tiles in this planning proposal.

Part 5 – Community Consultation

The Gateway Determination outlines the community consultation to be undertaken.

The planning proposal will be publicly exhibited at the Penrith Council Civic Centre, Penrith Library, Council's St Marys Office and St Marys Library. All exhibition material will be available on Council's website.

Notice of the public exhibition will be given in the local newspaper and on Council's website.

Consultation with public authorities will be undertaken in accordance with the requirements of the Gateway Determination.

In responses to Section 117 Direction 4.4, Council has consulted with the NSW Rural Fire Service on the planning proposal. A copy of the Rural Fire Service submission is provided at Appendix 4.
