## Assessment of the Merits of the Planning Agreement

### (a) How the Planning Agreement promotes one or more of the objects of the Act

The draft Planning Agreement promotes the following objectives of the Act:

- (a) the facilitation of ecologically sustainable development by integrating relevant economic, environmental and social considerations in decision-making about environmental planning and assessment;
- (b) the promotion and co-ordination of the orderly and economic use and development of land; and
- (c) the promotion of good design and amenity of the built environment.

The Planning Agreement promotes the objects of the Act set out above by facilitating development of the Land in accordance with the Planning Agreement.

The Planning Agreement is consistent with Council's role under the *Local Government Act 1993* to provide facilities, appropriate to the current and future needs of local communities and the wider public by the enhancement of the public domain.

### (b) How the Planning Agreement promotes the public interest

The Planning Agreement promotes the public interest by committing the Developer to provide the agreed monetary contribution that will fund the enhancement and embellishment of the public domain and public open space and contribute to greater amenity for the community in the Mamre Road Precinct area.

### (c) How the Planning Agreement promotes the objects of the *Local Government Act 1993*

The Planning Agreement promotes the objects of the *Local Government Act 1993* by facilitating engagement with the local community by the Council and demonstrating and giving effect to a system of local government that is accountable to the community and that is sustainable, flexible and effective.

### (d) The planning purposes served by the Planning Agreement

The monetary contributions proposed to be provided under the Planning Agreement will be used to achieve the following planning purposes:

- (a) Embellishments to public open space;
- (b) Enhancement of the public domain; and

- (c) Providing ecologically sustainable development.

**(e) How the Planning Agreement promotes the objectives of the *Local Government Act 1993* and the elements of the Council's Charter (now section 8A)**

The Planning Agreement is consistent with the following purposes of the *Local Government Act 1993*:

- (a) to give councils the ability to provide goods, services and facilities, and to carry out activities, appropriate to the current and future needs of local communities and the wider public; and
- (b) to give councils a role in the management, improvement and development of the resources of their areas.

By enabling Council to provide public infrastructure and facilities, the Planning Agreement is consistent with the guiding principles of councils, set out in section 8A of the *Local Government Act 1993*, including that Councils should:

- (a) provide strong and effective representation, leadership, planning and decision-making;
- (b) carry out functions in a way that provides the best possible value for residents and ratepayers;
- (c) plan strategically, using the integrated planning and reporting framework, for the provision of effective and efficient services and regulation to meet the diverse needs of the local community;
- (d) manage lands and other assets so that current and future local community needs can be met in an affordable way;
- (e) consider the long term and cumulative effects of actions on future generations;
- (f) consider the principles of ecologically sustainable development; and
- (g) actively engage with their local communities, through the use of the integrated planning and reporting framework and other measures.

**(f) Whether the Planning Agreement conforms with the Council Capital Works Program**

The proposed works are not part of a capital works program for the area.

**(g) The planning purposes served by the Planning Agreement and whether the Planning Agreement provides a reasonable means of achieving those purposes**

The Planning Agreement provides for the following public purposes, in accordance with section 7.4 of the Act:

- (a) the provision of (or the recoupment of the cost of providing) public amenities or public services; and
- (b) the provision of (or the recoupment of the cost of providing) infrastructure relating to land.

It is considered that the Planning Agreement provides for a reasonable means by which to achieve these planning purposes as it secures the provision of the monetary contributions by the Developer to Council by way of registration on title and the requirement for payment before a construction certificate may be issued.

**(h) Requirements of the agreement that must be complied with before a construction certificate, occupation certificate or subdivision certificate is issued**

The Voluntary Planning Agreement requires that the monetary contribution be paid prior to the issue of any construction certificate for the Development (excluding any construction certificate for SSD 9522, which is an existing approval).
