

1. EXISTING PLAYGROUND EQUIPMENT

Existing playground location at Banks Drive:

- Good roadside footpath links between reserve, public school and surrounding residences
- No accessible connection between roadside footpath and playground
- No shade - playground currently in full sun
- Limited seating
- No edging to playground softfall compromising accessibility
- Pedestrian desire lines to other access points around the reserve indicate potential to extend the footpath network in the future

LEGEND

-  existing concrete footpath
 potential footpath connection

AERIAL PLAN

2. POTENTIAL FUTURE PATH ACCESS FROM FINCH PLACE

3. EXISTING PATH ACCESS FROM SOLANDER DRIVE WITH POTENTIAL FOR CONNECTING LINK TO PLAYGROUND

4. POTENTIAL FUTURE PATH ACCESS FROM PETER KEARNS MEMORIAL OVAL CARPARK
